Cs 325 – Fall 2021

Business Rules

- The owner must order more popsicles when the supply is less than one crate of that specific flavor.
- The best performing sales representative gets a 10% pay bonus.
- The most popular flavor must be resupplied at a larger quantity than the other flavors. For example, when the supply is low 5 crates are ordered, however, if the most popular flavor is being ordered, 6 crates will be ordered.
- Reward customers get a free popsicle every 10 popsicles they buy.
- Milk-based popsicles and water-based popsicles cannot be ordered from the same supplier.
- The store is only allowed to carry a maximum of 500 units per each individual flavor.
- Popsicles are reordered when the on-hand count reaches 150 or less
